

Casual Class Attendance Policy

Why?

Skylark Sports recognises that not all families can commit to weekly, ongoing classes. Where the following criteria are met, casual class attendance can be accommodated:

- There is space in the class. Classes must not be overfilled.
- The booking is made LESS than 24 hours in ahead of the class
- Payment is made at the time of booking

Our policy:

When attending classes casually, the parent of the attending child is responsible for booking the child in and making payment. The spot is not secured ongoing and it should not be assumed that the place will be available each week. If you turn up without a booking and the class is full we will be unable to accept the child into the class.

To book a casual class please call 9544 8008 on the morning of the class. If there is no answer please leave a message, and your call will be returned. For Saturday classes, please call on Friday.

Payment will be due at the time of booking, and can be made by credit card over the phone. The casual class rates are as follows:

Class	Cost
45 minutes – KinderGYM/BabyGYM	\$23
60 minutes - GymFUN	\$27
80 minutes – GymSKILLS, NinjaSKILLS, Tumbling	\$34
120 minutes – AcroSKILLS, NinjaSQUAD	\$40

No refunds will be issued for missed casual classes for any reason, and make-up classes are not available.

After 3 casual classes have been attended, the clubs annual registration fee must be paid before the 4th class can be booked.
